

## Curriculum Vitae Aaron Changjo Lim, PhD

### Personal Information

USC Department of Family Medicine  
1000 South Fremont Avenue  
Unit 22, Building A7, 4<sup>th</sup> floor  
Alhambra, CA 91803  
Email: aaron.lim@med.usc.edu

### EDUCATION

---

- 2021 University of California Los Angeles, Los Angeles, CA  
Ph.D. in Clinical Psychology, APA-Accredited Program  
Double Minor: Quantitative Psychology; Behavioral Neuroscience  
Dissertation: The Convergence of Neurotranslational and Laboratory Paradigms in Predicting Alcohol Consumption and Pharmacotherapy Response  
Chair: Lara A. Ray, Ph.D.  
Internship: West Los Angeles Veterans Affairs Hospital, Geropsychology Track
- 2016 University of California Los Angeles, Los Angeles, CA  
M.A. in Clinical Psychology, APA-Accredited Program  
Thesis: Effects of Alcohol Dependence Severity on Neural Correlates of Delay Discounting  
Chair: Lara A. Ray, Ph.D.
- 2012 Williams College, Williamstown, MA  
B.A. in Psychology with Highest Honors  
Thesis: Chin Up! Effects of a Self-Esteem Intervention on Social Conformity  
Chair: Marlene Sandstrom, Ph.D.

### **POST-GRADUATE TRAINING:**

- 2021-Present Postdoctoral Fellow, NIA T32 Research Program, mentor: Duke Han, Ph.D.  
Department of Family Medicine, Keck Schol of Medicine, University of Southern California, Los Angeles, CA

### **HONORS AND AWARDS**

---

- 2019 Charles Y. Nakamura Research, Teaching, and Mentorship Award  
2019-2020 Dr. Ursula Mandel Endowed Fellowship - \$15,000  
2018 Nancy M. Biram Research Fund in Life Sciences Award - \$6,000  
2018 Enoch Gordis Award Finalist, Research Society on Alcoholism  
2017-2020 UCLA Letter of Clinical Excellence  
2016-2019 Student Merit Award, Research Society on Alcoholism  
2016-2017 UCLA Graduate Research Mentorship Fellowship - \$20,000  
2016 UCLA Graduate Summer Research Mentorship - \$6,000  
2016 NSF Graduate Research Fellowship Honorable Mention  
2015-2016 UCLA Distinguished University Fellowship - \$21,000  
2012 *Magna Cum Laude*, Williams College, Williamstown, MA  
2011-2012 William Orr Dingwall Award - \$20,000  
2011-2012 James Jenkin Lowe 1937 Scholarship - \$45,518

2011 Kraft Research Award - \$3,200  
 2008-2011 Williams College Merit Scholarship - \$136,554  
 2008-2012 Dean's List, Williams College

## GRANTS

---

09/2021-Present Postdoctoral Fellowship Award  
 Agency: National Institute on Aging  
 Grant No.: T32AG000037 (PI: Eileen Crimmens)

04/2019-04/2020 Predoctoral Fellowship Award - \$45,058  
 Agency: Tobacco Related Disease Research Program  
 Grant No.: T29DT0371 – Dynamic functional connectivity among heavy drinking smokers (PI: Aaron Lim)

10/2018-10/2019 Translational Neuroscience of Drug Abuse Program - \$34,942  
 Agency: National Institute on Drug Abuse  
 Grant No.: T32 DA02463-10 (PI: Edythe London)

10/2016-10/2018 Integrated Programs of Substance Abuse - \$68,342  
 Agency: National Institute on Drug Abuse  
 Grant No.: 4T32 DA007272-25 (PI: Christine Grella)

## PUBLICATIONS

---

1. Grodin EN, Burnette EM, Green R, **Lim AC**, Miotto K, Ray LA. (2021). Combined Varenicline and Naltrexone Attenuates Alcohol Cue-Elicited Activation in Heavy Drinking Smokers. *Drug and Alcohol Dependence*, 225, 108825.
2. Grodin, E.N., Bujarski, S., Towns, B., Burnette, E., Nieto, S., Lim, **A.C.**, **Lim**, J., Miotto, K., Gillis, A., Irwin, M.R., Evans, C., & Ray, L.A. (2021). Ibudilast, a novel neuroimmune modulator reduces heavy drinking and alcohol cue-elicited neural activation. *Translational Psychiatry*, 11, 1-8.
3. Ray, L.A., Green, R., Leventhal, A.M., Grodin, E., Enders, C., Li, G., **Lim, A.C.**, Hartwell, E., Venegas, A., Meredith, L., Nieto, S., Shoptaw, S., & Miotto, K. (in press). Efficacy of combining varenicline and naltrexone for smoking cessation and drinking reduction: A randomized clinical trial. *American Journal of Psychiatry*.
4. Meredith, L.R., Grodin, E.N., Karno, M.P., MacKillop, J., **Lim, A.C.**, & Ray, L.A. (2021). Preliminary Study of Alcohol Problem Severity and Response to Brief Intervention. *Addiction Science and Clinical Practice*, 16, 1-12.
5. **Lim, A.C.**, Grodin, E.N., Green, R., Venegas A., Meredith, L.R., Donato, S., Burnette, E., & Ray, L.A. (2020). Alcohol cue-induced ventral striatum activity predicts subsequent alcohol self-administration. *Alcoholism: Clinical and Experimental Research*, 44, 1224-1233.

22. Shadur, J., Ninneman, A., **Lim, A.C.**, Lejuez, C., & MacPherson, L. (2017). The prospective relationship between distress tolerance and cigarette expectancies in adolescence. *Psychology of Addictive Behaviors*, 31, 625-635.
23. Dahne, J., **Lim, A.C.**, Borges, A., & MacPherson, L. (2017). Risk taking propensity in older adolescents: Internalizing symptoms, gender, and negative reinforcement. *Psychiatry: Interpersonal and Biological Processes*, 80, 252-264.
24. **Lim, A.C.**, Cservenka, A., & Ray, L. (2017). Effects of alcohol dependence severity and *OPRM1* on neural correlates of delay discounting. *Alcohol and Alcoholism*, 52, 506-515.
25. Borges, A., Dahne, J., **Lim, A.C.**, & MacPherson, L. (2017). Negative affect mediates the relation between trait urgency and behavioral distress tolerance. *Emotion*, 17, 707-716.
26. Collado, L., **Lim, A.C.**, & MacPherson, L. (2016). A systematic review of depression psychotherapies among Latinos. *Clinical Psychology Review*, 45, 193-209.

## ORAL PRESENTATIONS

---

1. Green, R., Grodin, E., **Lim, A.C.**, Leventhal, A., O'Malley, S., Ho, D., Shoptaw S., Li, G., Miotto, K., Ray, L.A. (2020). Combination of varenicline and naltrexone for smoking cessation and drinking reduction: A randomized clinical trial. Oral presentation given at the 25<sup>th</sup> annual convention of the Society for Research on Nicotine and Tobacco, New Orleans, LA.
2. Grodin, E.N., **Lim, A.C.**, MacKillop, J., Karno, M.P., & Ray, L.A. (2019). Elucidating the effect of a brief drinking intervention using neuroimaging: The role of motivation to change. Symposium presented at the 41<sup>st</sup> annual convention of the Research Society on Alcoholism, Minneapolis, MN.
3. **Lim, A.C.**, Ghahremani, D., Hutchison, K.E., & Ray, L.A. (2018). Pharmacogenetic effects of naltrexone in individuals of East Asian descent: Neuroimaging findings. Oral presentation given at the 40<sup>th</sup> annual convention of the Research Society on Alcoholism, San Diego, CA.
4. **Lim, A.C.**, Mozersky, J., Hise, L., Dahne, J., & MacPherson, L. (2015). Additive effects of risk-taking and distress tolerance in differentiating cigarette smokers and nonsmokers. Oral presentation given at the 20<sup>th</sup> annual convention of the Society for Research on Nicotine and Tobacco, Philadelphia, P.A.

5. Sandstrom, M., & **Lim, A.C.** (2013). Fitting in to feel good: Can an experimental boost in self-esteem reduce pressure to conform? Paper symposium presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

**POSTER PRESENTATIONS** (selected from 35)

---

1. **Lim, A.C.**, Towns, B., Grodin, E.N., Venegas, A., Meredith, L., & Ray, L.A. (2019) Executive function predicts effects of naltrexone on subjective response to methamphetamine. Poster presented at the 17<sup>th</sup> annual convention of the American Academy of Clinical Neuropsychology, Chicago, IL.
  2. **Lim, A.C.**, Grodin, E.N., Green, R., & Ray, L.A. (2019). The convergence of functional magnetic resonance imaging alcohol cue reactivity, subjective response to alcohol, and alcohol self-administration. Poster presented at the 41<sup>st</sup> annual convention of the Research Society on Alcoholism, Minneapolis, MN.
  3. Grodin, E.N., MacKillop, J., **Lim, A.C.**, Karno, M., Ray, L.A. (2019). Elucidating the effect of a brief motivational drinking intervention using neuroimaging: A preliminary study. Poster presented at the 57<sup>th</sup> annual meeting of the American College of Neuropsychopharmacology, Hollywood, FL.
  4. Green, R., **Lim, A.C.**, & Ray, L.A. (2018). Sex differences in delay discounting across heavy drinking smokers. Poster presented at the 40<sup>th</sup> annual convention of the Research Society on Alcoholism, San Diego, CA.
  5. Venegas, A., Bujarski, S., **Lim, A.C.**, Roche, D.J.O., & Ray, L.A. (2018). Examining subjective response to and craving for alcohol among cannabis and non-cannabis users in human laboratory paradigms. Poster presented at the 40<sup>th</sup> annual convention of the Research Society on Alcoholism, San Diego, CA.
  6. **Lim, A.C.**, Tully, L., Cservenka, A., & Ray, L.A. (2017). *Effects of alcohol dependence severity on neural correlates of delay discounting*. Poster presented at the 40<sup>th</sup> annual convention of the Research Society on Alcoholism, Denver, CO.
  7. **Lim, A.C.** & Ray, L. (2017). *The relationship between distress tolerance and craving among heavy drinking smokers*. Poster presented at the annual meeting of CALDAR Summer Institute and International Global Health Conference, Universal City, CA.
  8. **Lim, A.C.**, & MacPherson, L. (2014). *Reward responsiveness mediates the relationship between anhedonia and reinforcement-based nicotine dependence motives*. Poster presented at the 48<sup>th</sup> annual convention of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.
  9. **Lim, A.C.**, Oliveira, F., Houston-Ludlam, A., Hamilton, E., Harrell, N., Mitchell, A., & MacPherson, L. (2014). *Avoidance/rumination mediates the relationship between depressive symptomatology and nicotine dependence motives*. Poster presented at the 34th annual convention of the Anxiety and Depression Association of America, Chicago, IL.
  10. **Lim, A.C.**, Houston-Ludlam, A., Harrell, N., Oliveira, F., & MacPherson, L. (2014). *Dependence motives are related to environmental reward and to avoidance in low-income adult treatment seeking smokers*. Poster presented at the 19<sup>th</sup> annual convention of the Society for Research on Nicotine and Tobacco, Seattle, WA.
-

## RESEARCH EXPERIENCE

---

- 2015-2021 Graduate Student Researcher, UCLA Addictions Lab, Los Angeles, CA  
PI: Lara Ray, PhD  
Responsibilities: Conducted functional magnetic resonance imaging (fMRI) scans and analyzed data with FSL (psychophysiological interactions, gray-matter volume, and spectroscopy); Integrated neuroimaging and behavioral data, including impulsivity tasks, neurocognitive assessments, and subjective response; (3) structured assessments, including the Structured Clinical Interview for DSM-IV-TR and SCID-5, Life Stress Interview, Columbia Suicide Severity Rating Scale, and neuropsychological testing; administered motivational interviews for heavy smoking and drinking community populations; supervised a team of 10 graduate students and postbac research coordinators on SCID differential diagnosis, emergent situations, and data management.
- 2012-2015 Project Coordinator, Center for Addictions, Personality, and Emotion Research  
University of Maryland College Park, College Park, MD  
PIs: Laura MacPherson and Carl Lejuez, PhD  
Responsibilities: Supervised team of 16 research assistants; recruitment, tracking, and administering 16 appointments per participant across 4 clinical trials for polysubstance cessation among adolescents and adults; data cleaning and analysis; utilized field locator techniques to complete assessments in community settings.
- 2010-2011 Research Assistant, Harvard Medical School's Division on Addiction, Medford, MA  
PI: Sarah Nelson, PhD  
Responsibilities: maintained multiple national datasets of drug-based offenses; literature review for a meta-analysis of gambling epidemiology across European countries; created and managed a gambling database to coordinate with international gambling researchers; (4) data management of national DUI CORI registries.

### Ad Hoc Reviewer for:

*Addictive Behaviors*  
*Alcoholism: Clinical and Experimental Research*  
*Alcohol and Alcoholism*  
*Cognitive Behaviour Therapy*  
*Drug and Alcohol Dependence*  
*International Journal of STD & AIDS*  
*Journal of Psychoactive Drugs*  
*Journal of Studies on Alcohol and Drugs*

## ASSESSMENT EXPERIENCE

---

- 2020-2021 **Psychology Intern, West Los Angeles VA**  
Primary Supervisors: Stacy Wilkins, Ph.D., Cheryl Osato, Ph.D., Paul Cernin, Ph.D., Charles Hinkin, Ph.D., and Michelle Zeller, Psy.D.  
Completed comprehensive neuropsychological assessments, reports, and feedback for outpatient Neuropsychology Clinic and Polytrauma Clinics; via telework, conducted, interpreted, and provided feedback for brief inpatient neuropsychological and capacity evaluations in Acute Geriatric Unit and Acute Rehabilitation Unit for delirium and

neurocognitive disorders; Via telework, conducted, interpreted, and provided feedback for neurocognitive evaluations within Community Living Center, Homeless Patient Aligned Care Team, Home-Based Primary Care, and Geriatric Psychiatry Teams

- 2019-2020 Neuropsychological Student Supervisor, UCLA Psychology Clinic**  
Supervisor: Philip Sayegh, Ph.D., MPH  
Supervised first year psychology doctoral students through neuropsychological cases, including supervision of intake, testing sessions, scoring, report writing, and feedback.
- 2018-2020 Advanced Neuropsychological Assessor, UCLA Dementia Screener Clinic**  
Supervisor: Philip Sayegh, Ph.D., MPH  
Wrote comprehensive assessment reports, provide feedback and treatment recommendations to clients and families with dementia concerns.
- 2016-2020 Neuropsychological Assessor, UCLA Psychology Clinic**  
Supervisors: Philip Sayegh, Ph.D. and Shannon Daley, Ph.D.  
Conducted neuropsychological assessments with adults and children to assess specific learning disorders, neurodevelopmental, psychiatric, and personality disorders. Write comprehensive psychoeducational assessment reports, provide feedback, treatment recommendations/academic accommodations to clients and families.
- 2015-2020 Graduate Student Assessor, UCLA Addictions Lab**  
Supervisor: Lara Ray, Ph.D.  
Conducted psychodiagnostic interviews for 5 studies recruiting heavy alcohol users, heavy drinking-smokers, heavy drinkers with elevated depressive symptoms, and individuals with histories of cannabis, stimulant, hallucinogen, and opioid use disorders.
- 2018-2020 Neuropsychology Extern, Medical Psychology Assessment Center, Semel Institute for Neuroscience and Human Behavior, UCLA**  
Supervisor: Kathleen Tingus, Ph.D.  
Conducted neuropsychological assessments and comprehensive reports in an outpatient medical center for aging adults with major neurocognitive disorders, including Alzheimer's disease variants, Parkinson's disease, Dementia with Lewy Bodies, normal pressure hydrocephalus, head trauma
- 2017-2018 Neuropsychology Extern, Social Neuroscience in Health Psychology Lab, Semel Institute for Neuroscience and Human Behavior, UCLA**  
Supervisor: April Thames, Ph.D.  
Completed neuropsychological assessments and comprehensive neuropsychology reports for HIV-positive and HIV-negative adults
- 2016-2018 Life Stress Interviewer, Semel Institute for Neuroscience and Human Behavior**  
Supervisor: Dara Ghahremani, Ph.D.  
Conducted Life Stress Interviews with adolescents and adults participating in a mindfulness-based cannabis cessation study.
- 2012-2015 Clinical Assessor, University of Maryland College Park**  
Supervisor: Laura MacPherson, Ph.D.  
Administered psychodiagnostic interviews (SCID-IV) for 5 studies recruiting individuals in inpatient substance use treatment, outpatient polysubstance users, and community smokers with elevated depressive symptoms.

- 2012-2015 Clinical Assessor, Salvation Army Harbor Light**  
Supervisor: Carl Lejuez, Ph.D.  
Administered psychodiagnostic interviews (SCID-IV) at an inpatient residential substance abuse treatment center. Provided written reports and treatment recommendations to substance abuse counselors.

## **CLINICAL EXPERIENCE**

---

- 2020-2021 Psychology Intern, West Los Angeles VA**  
Primary Supervisors: Stacy Wilkins, Ph.D., Cheryl Osato, Ph.D., Paul Cernin, Ph.D., Charles Hinkin, Ph.D., and Michelle Zeller, Psy.D.  
Responsibilities: Provided group and individual therapy to address substance use, adjustment disorder, grief, disability, and palliative care for individuals in Acute Geriatric Team and Acute Rehabilitation Unit. Completed individual CBT for Chronic Pain protocols within Pain Clinic, and individual CBT for psychosis within Homeless Patient Aligned Care Teams. Co-led amputation support group, stroke support group, CBT for chronic pain group, mindfulness group, caregiver group, health promotion group, and CBT for depression groups.
- 2018-2020 Clinical Supervisor, UCLA Addictions Lab**  
Supervisors: Lara Ray, Ph.D.  
Responsibilities: Trained 12 graduate students and postbaccalaureate research coordinators in Structured Clinical Interview for DSM-5, Columbia Suicide Severity Rating Scale, Clinical Institute Withdrawal Assessment for Alcohol Scale, mandatory reporting, and suicide safety planning. Directed weekly supervision to review differential diagnoses and ongoing cases for research participants across 6 studies.
- 2018-2019 Graduate Student Therapist, UCLA Alcohol Use Disorders Clinic**  
Supervisor: Danielle Keenan-Miller, PhD  
Conducted intake interviews and assessments, toxicology screens, and peer supervision of graduate student therapists. Provided counseling sessions for psychoeducation, motivational interview, contingency management, and manualized cognitive-behavioral therapy for smoking, alcohol, and cannabis cessation.
- 2016-2019 Graduate Student Therapist, UCLA Addictions Lab**  
Supervisor: Lara Ray, PhD  
In 3 clinical trials testing combination pharmacotherapies, brief interventions, and neuroimaging of motivation for change, conducted counseling sessions to provide psychoeducation, motivational interviewing, and contingency management for polysubstance users.
- 2016-2017 Graduate Student Therapist, UCLA Psychology Clinic**  
Supervisors: Bruce Chorpita, Ph.D., Phil Sayegh, M.P.H., Ph.D., and Trevor Schraufnagel, Ph.D.  
Responsibilities: Conducted weekly individual therapy sessions with adult and child clients using cognitive behavioral therapy, exposure and response prevention, and Managing and Adapting Practices.

**2015-2016 Intake Interviewer, UCLA Psychology Clinic**

Supervisor: Danielle Keenan-Miller, Ph.D.

Conducted clinical intake and diagnostic interviews with adults seeking therapy at a low-fee community-based clinic. Clients presented with comorbid psychiatric, neurological, personality, and developmental disorders. Wrote intake reports detailing case conceptualization, diagnoses, and treatment orientation recommendations.

**TEACHING/EDUCATION EXPERIENCE**

---

**University of California Los Angeles, Los Angeles, CA**

2015-2021 Lecturer/Research Mentor, PI: Lara Ray

Responsibilities: Provided 9 lectures on substance use prevention programs, U.S. history of drug policy, treatments, and addiction neurobiology; mentored 11 post-baccalaureate and 6 undergraduate research assistants in conference presentations and graduate school preparation. Trained 8 research assistants in project SOPs and administration of structured interview-based assessments, including the Structured Clinical Interview for the DSM-IV-TR and DSM-5.

Teaching Assistant

2020 Spring PSYCH 127A (Abnormal Psychology) - Prof. Lauren Ng

Responsibilities: Conducted 2 discussion sections and created discussion materials covering mental disorders in the DSM-5 in Zoom format; held office hours; created questions and review sessions for exams.

2019 Winter PSYCH 277A (Advanced Clinical Assessment) - Prof. Anna Lau, Steve Lee, Phil Sayegh

Responsibilities: Provided lectures on administering neuropsychological assessments, organized mock testing sessions with child clients and provided feedback for trainees.

2018 Spring PSYCH 271F (Clinical Research Lab) - Prof. Steve Lee

Responsibilities: Conducted 1 discussion section and created discussion materials on structured diagnostic interviews, conducted and reviewed patient interviews with graduate students using the Structured Clinical Interview for DSM-V (SCID-5). Created questions and review sessions for exams.

2017 Spring PSYCH 10 (Intro Psych) - Prof. Julie Smurda

Responsibilities: Conducted 3 discussion sections, provided 110-minute lecture on epidemiology and neurobiology of addiction, created questions and review sessions for exams.

**University of Maryland College Park, College Park, MD**

2014 Fall PSYC 437(Assessment and Treatment of Addiction) - Prof. Laura MacPherson

Responsibilities: Provided 4 150-minute lecture on diagnostic interviews, psychopharmacology, and clinical skills; created and graded writing assignments, exams and clicker quizzes.

2014-2015 First-Year Innovation and Research Experience (FIRE) Supervisor – Prof. Carl Lejuez,

Ph.D., Cristina Risco, Ph.D., & Julia Shadur, Ph.D.

Responsibilities: Provided 8 120-minute lectures on therapies for depression and substance use, randomized clinical trials, and prevention; mentored 16 students through independent projects for undergraduate research fair, including literature review, IRB and data management training, data management and analysis, and abstract write-up; Participated in ongoing discussions of FIRE with department professors and dean
